Track 8 / Side 1

ARIEL

(Waving)

Scuttle!

SCUTTLE

(Shouting)

Whoa! Mermaid off the port bow! Ariel, how you doin' kid?

(Lowers telescope. ARIEL is right in front of his face.)

Whoa, what a swim.

ARIEL

(Emptying her bag of treasures)

Scuttle -- look what we found.

SCUTTLE

Human stuff, huh? Hey, lemme see.

(Examines a fork.)

Look at this. Wow -- this is special. This is very, very unusual.

ARIEL

(Desperate for information)

What? What is it?

SCUTTLE

(Obviously having no idea)

It's a...dinglehopper! Humans use these little babies to straighten their hair out. A little twirl here an' a yank there and voiolay! You got an aesthetically pleasing configuration of hair that humans go nuts over.

ARIEL

(Beyond impressed)

A dinglehopper! What about that one?

SCUTTLE

(Holding a pipe)

Ah -- this I haven't seen in years. This is wonderful! A banded, bulbous, snarfblat.

ARIEL

Oohhh.

SCUTTLE

Now, the snarfblat dates back to prehistorical times, when humans used to sit around, and stare at each other all day. Got very boring. So, they invented the snarfblat to make fine music. Allow me.

(SCUTTLE blows into the pipe. Seaweed pops out of the other end.)
