

Cruella De Vil

Hello, dahlings ... it's so lovely to see you!

I am fabulously delighted to welcome you all ... to the House of De Vil-lains!
Come as you are ... Everyone is welcome!

This is a unique and safe place where you can be yourself and celebrate
who you are! This is your moment in the spotlight to "shine!"

You know, we're not always appreciated, because of who we are. But
tonight, we're all equals! It's time we all join forces and continue to change
the world!

So, if you are with me dahlings ... let us all join together and strike a pose!

Now, dahlings ... you are my new muses! Go forth ... celebrate who you are
... and SHINE!
