

MOANA

I was born on the island of Motunui. Ever since I was a child, I followed the advice of my Gramma Tala, who encouraged me to follow my heart, and my ancestors, to the sea.

One day, the sea began calling to me, asking me to return the heart and make Te Fiti whole again. But how would I get there?

My Gramma said, "Follow your heart, Moana ... be guided by the ocean ... and they will show you the way."

So I said to myself, "All right. I'll do it! Even though I've never journeyed past the reef before ... how hard can it be?"

After all, I am Moana of Motunui!

And so ... my journey began!
