

PRINCESS TIANA

“Tell me, did you ever try wishin’ on the evenin’ star for somethin’ you really wanted? I always thought wishin’ on stars and believin’ in fairytales wouldn’t make my dreams come true. It turns out, a little wishin’ never hurts, as long as you put some hard work in, too. I think believin’ a dream can come true is important, don’t you? If you believe in yourself, you can make anythin’ happen.”
