

**FIRST ORDER LIEUTENANT
GALAXY'S EDGE**

Script:

FIRST ORDER LIEUTENANT

The First Order Lieutenant is addressing the passing crowd from the platform.

Attention citizens, travelers... and Resistance operatives among you. If you are within the sound of my voice, you may consider yourself under the watchful eye of the First Order. We have tracked a spy to this planet, and we believe she is here to establish a training camp for the Resistance. If that is true, we will find it.

The Resistance will not find safe harbor on Batuu. We will find them, and we will crush them. And anyone who supports the Resistance—will wish they had not. As you were, citizens. Enjoy the day.
