

## **Star Wars™: Galactic Starcruiser**

### **AUDITION SIDE: CAPTAIN**

I wish to thank all of you for your cooperation today. The challenges faced on this mission have far exceeded anything I have witnessed in my 20 years aboard this vessel. Your quick action to defend the ship, and your aid in identifying the persons responsible for these interruptions has ensured that we will see our way peaceably through this unpredictable and dangerous situation. Thanks to the intelligence you've provided a small contingent of outlaws has been captured and are being questioned by my trusted crew as we speak.

While I have truly appreciated your assistance, my first priority must remain your safety. There may yet be parties who seek to disrupt our passage, and I need you to allow my crew and me to deal with these potentially dangerous individuals. I don't mean to alarm you; we've had enough of that already today. But it is possible you'll encounter someone who you believe has less than noble intentions. If you do, please, calmly let one of us know and have faith that we will handle it. Your only mission from here out should be to enjoy time with your family and newfound friends. Please understand, this is not a request. It is an order, from a very grateful Captain.
