

## **Star Wars™: Galactic Starcruiser**

### **AUDITION SIDE: CRUISE DIRECTOR**

Look at all of these smiling faces! I'm...surprised if I'm to be totally honest. I mean, if I got a message asking me to go on a secret mission, knowing I'd be missing out on the fabulous food and activities on board this ship, I'd have been like, "Nah...I'm hyperspacing back to the buffet, thanks! Let me know how that works out for ya!" (*pause*) Okay, not entirely true. I'd probably be right there next to you.

I've always followed the call to serve. Not in some overly devoted or pretentious way...I've just fed off of the positive energy you get when others are pleased with the job you've done. Simple, really. Like, if you're happy, I'm happy. And happiness, well, it's not as common as it used to be, so I've tried my best to fill that void.

But the void, the darkness in the Galaxy, it's growing. I can feel it. Creeping closer and closer to those I know and the things I love. I used to see it as a sort of momentary gloom. It's not like that anymore. It's more sinister, more intense and it casts a heavy shadow over everything I thought to be true and just. It threatens to remove all signs of the happiness I once tended. I am moved to the need, driven to make a difference. I feel the call to stand. To fight! And I'm asking you to join me. I'll never stop wishing for happiness and joy. But when wishes fall short, I'll be a soldier of positive and righteous actions. Let it be today...Let today be different.
