

## **Star Wars™: Galactic Starcruiser**

### **AUDITION SIDE: SCAVENGER HERO**

I see it, and I cannot turn my back to it. The darkness is rising in you, but you still have a choice. We all have a choice. We belong to one Galaxy, and it is a welcome place, if you choose to accept the light within you.

But if your choice is the darkness, if your rage and hate consume what is left of the compassion in your soul, I will meet you face to face and defend the spark of hope that has ignited across the Galaxy. I will not let you destroy that which so many have fought for and preserved. Hope will survive.

It is not too late. I believe there is good in you. I need you to believe it too. Show me I am right. Show me that my faith in kindness is not misplaced. There is but one path forward if peace is to prevail. We can lead the way, together. Or I will do it alone and mourn the day you were lost forever.
