

**STAR-LORD AKA PETER QUILL  
THE GUARDIANS OF THE GALAXY – AWESOME MIX LIVE  
EPCOT**

**STAR LORD**

Listen, you guys sound... *awesome*. But here's the thing – these people out here, they're Terrans. And their little Terran ears aren't made to process the uh, *intricacies* of Xandarian music.

If you guys will let me, I'm pretty sure I've got a way to help you.

Alright, so you see those instruments you have there? Yeah, that Xandarian drum kit type of thing. And what's that, there – some kind of space guitar? Perfect. These are almost exactly like the instruments on this planet. Bass, horns, keys – we've got it all. It's time to save the Galaxy again... from bad music.
