Casting Director: Strong emcee, cheerleader to audience participants.

Script:

Hi everybody, welcome to the show. My name is *(your name)* and I'm the Casting Director. Part of my job is the casting of extras. Extras are a very important part of a production. They help bring a scene to life. Normally, I would go to an agency but today, I'd like to cast some of you as extras in our show. Sometimes certain extras are called upon to perform specific tasks. These people are known as featured extras. They could be asked to do anything from juggling to fainting to screaming at the top of their lungs. Now since we have a lot of action sequences in this show, the featured extras I'm going to need have to be a couple of real good screamers.
